United States District Judge  
United States Courthouse  
500 Pearl St.  
New York, NY 10007-1312

Your Honor,

010 CV . 5722

At the March 15<sup>th</sup>, 2018 Local 157 Membership meeting, a motion was made from the floor to send a letter regarding the resignation of Stephen McInnis. The following questions were raised:

- Why did he resign?
- Why was there no transparency?
- When were the District Council and Independent Monitor first notified of any situation?
- What was the infraction of personnel policy?
- How many infractions were there?
- Were there any payouts? If so, how much and when?
- What was the severance package?
- Why was the President's resignation only given four lines in the IM report? Is there a cover up?
- Members have a right to know if our money was used to pay off anyone.
- If Mr. McGorty knew about this before the District Council election, will he reimburse members for the cost of a new election?

Any help regarding regarding this matter will be greatly appreciated.

Sincerely,

James Hogan  
Recording Secretary - Local Union 157
